

**South Dakota Department of Transportation (SDDOT)
I-90 Local Road Crossings Study – Meetings-**

Overview: The South Dakota Department of Transportation (SDDOT) is studying 12 Interstate 90 (I-90) local road crossings and interchanges from exit 67 (Liberty Blvd / Ellsworth AFB) to the Pennington/Jackson County line.

The study will systematically analyze and review each of the 12 identified study crossings for potential removal and access consolidation instead of future bridge replacement.

**Emergency Services Focus Group:
Fire-EMS-Emergency Management, S.A.R.-Law Enforcement- ESCC-**

The Emergency Services Focus Group meetings are broken up by geography. During the meeting, we will explore how the closure of one or more of the crossings could affect emergency response times.
